

INDIANA UNIVERSITY KOKOMO

FULFILLING the PROMISE

# SUMMER CAMPS

An Environment of Endless Curiosity

## Health Camps

This unique day camp program is specifically designed for children ages 6-13 years of age. Students in the IU Kokomo School of Nursing serve as camp counselors and are supervised by IU Kokomo nursing faculty. Your child will participate in sports, group activities, and arts and crafts. Making new friends and having new experiences makes this camp the highlight of your child's summer!

- **FIT Camp:** Discuss healthy eating and fitness education.
- **KIDDS Camp:** Educational camp for children with diabetes.
- **Camp Eeze-the-Wheeze:** Educational camp for children with asthma.

**June 11-15 | 9a.m.-3p.m.**

Jackson Morrow Park, 4200 S. Park Road, Kokomo.

On the corner of Center and Park roads.

**Price: \$20 see online registration for payment details.**

Financial assistance is available. Make a request for camperships on the camp registration form.

*Each child should bring a sack lunch. Drinks and snacks will be provided.*

*All campers need to have the Medical Information Form filled out. Only campers who will be having the nurses dispense their medication during camp need to fill out the Permission for Dispensing Medication Form.*

If you have questions about the camp, email **Lesley Connolly** [lconnol@iuk.edu](mailto:lconnol@iuk.edu) or call **765-455-9478**.

## Science ROCKS!

IU Kokomo will host its 10th consecutive Summer Science Camp for middle school students. Students will work on exciting projects in biology, health science, chemistry, geology (with a focus on health-related issues), and physics. All are taught by IU Kokomo science faculty and student teaching assistants. This science summer camp is funded by a grant from the Area Health Education Centers of North Central Indiana.

**June 11-15 | 1-5 p.m.** Attend Think, Imagine, Create and make it a day.  
Hunt Hall at IU Kokomo

**FREE to Middle School Students**

If you have questions about the camp, email **Patrick Motl** [pmotl@iuk.edu](mailto:pmotl@iuk.edu) or call **765-455-9731**.

## Think, Imagine, Create

At Think, Imagine, Create Camp we will be working with students to create their own short plays. How do you even start that process? We will begin by talking about questions coming from the 7th/8th graders: questions like "Why is it OK to kill a cockroach, but not a butterfly?" or "What's the difference between natural and human-made?" We will think through these kinds of questions, imagine possible answers, and create plays about our potential answers.

**June 11-15 | 8 a.m. - noon**

IU Kokomo

**FREE to 7th and 8th Grade students**

If you have questions about the camp, email **Joshua Mugg** [joshmugg@iuk.edu](mailto:joshmugg@iuk.edu) or **Joe Keener** [keenerj@iuk.edu](mailto:keenerj@iuk.edu) or call **765-455-9266**.
